

Terms & Conditions and Privacy Policy **Updated April 20, 2016.**

Welcome to Beauty.AI, The First Beauty Contest Judged by Artificial Intelligence conducted by Wayco International Limited, Hong Kong (including its affiliates and business units (collectively, the "Companies") hereinafter referred as "Group", "we", "us" and/or "our"). This privacy policy provides information about our Group, its mobile applications and web services (together with the Sites, the "Service(s)") to our users ("you", "your"). This Privacy Policy sets forth Group's policy with respect to information that is collected from users of our mobile applications and website located at www.beauty.ai (the "Site") and users of the Service.

Information We Collect

By interacting with us, submitting information to us, or signing up for any Products and Services offered by us, you agree and consent to the Group (including its affiliates and business units) (collectively, the "Companies"), as well as their respective representatives and/or agents (collectively referred to herein as "us", "we" or "our") collecting, using, disclosing and sharing amongst themselves your Personal Data, and disclosing such Personal Data to the Group's authorized service providers and relevant third parties in the manner set forth in this Data Protection Policy.

When you interact with us through the Service, we may collect information from you, as further described below:

This Data Protection Policy supplements but does not supersede nor replace any other consents you may have previously provided to the Group in respect of your Personal Data, and your consents herein are additional to any rights which to any of the Companies may have at law to collect, use or disclose your Personal Data.

Group may from time to time update this Data Protection Policy to ensure that this Data Protection Policy is consistent with our future developments, industry trends and/or any changes in legal or regulatory requirements. Subject to your rights at law, you agree to be bound by the prevailing terms of the Data Protection Policy as updated from time to time.

Information That You Provide Through the Service: We collect information from you when you voluntarily provide such information such as when you register for access to the Service (for example, email address), use certain features of the Service (for example, photo), or contact us with inquiries.

By voluntarily providing us with information, you are consenting to our use of it in accordance with this Privacy Policy. If you provide information, you acknowledge and agree that such information may be transferred from your current location to the offices and servers of the Group and the authorized third parties referred to herein.

Non-Identifiable or Aggregated Data: When you interact with the Group through the Service, we receive and store certain information. Such information, which is collected passively using various technologies, cannot presently be used to specifically identify you. The Group may store such information itself or such information may be included in databases owned and maintained by the Group's affiliates, agents or service providers. The Service may use such information and pool it with other information to track, for example, the total number of visitors to the Site, the number of visitors to each page of our Site, the domain names of our visitors' Internet service providers, and how our users use and interact with the Service. Also, the Group may conduct research on its customer demographics, interests, look and behavior based on the information provided to us. This research may be compiled and analyzed on an aggregate basis. The Group may share this non-identifiable and aggregate data with its affiliates, agents and business partners. The Group may also disclose aggregated user statistics in order to describe our Service to current and prospective business partners, and to other third parties for other lawful purposes.

The Group may also use a technology called "cookies." A cookie is a piece of information that the computer that hosts our Service gives to your browser when you access the Service. Our cookies help provide additional functionality to the Service and help us analyze usage more accurately. Our Service may set a cookie on your browser that allows you to access the Service without needing to remember and then enter a password more than once when you are using the Service.

Our Use of Your Information

The Group uses the information you provide in a manner that is consistent with this Privacy Policy. If you provide information for a certain reason, we may use the information in connection with the reason for which it was provided. If you contact us by email, we will use the information you provide to answer your question or resolve your problem. If you provide information in order to obtain access to the Service, we will use the information to provide you with access to such services and to monitor your use of such services.

The Group and its subsidiaries and affiliates (the "Related Companies") may also use your information collected through the Service to help us improve the content and functionality of the Service, to better understand our users and to improve the Service. The Group and its Related Companies may use this information to communicate with you regarding the Service or to tell you about services (including those of our trusted partners) that we believe will be of interest to you.

Our Disclosure of Your Information

The primary activity of the Group is research and selling your information is not our priority. There are, however, certain circumstances in which we may share your information with certain third parties without further notice to you, as set forth below:

Business Transfers: In the event of a corporate sale, merger, reorganization, dissolution or similar event, your information may be part of the transferred assets.

Related Companies: We may also share your information with our Related Companies for purposes consistent with this Privacy Policy.

Agents, Consultants and Related Third Parties: The Group like many businesses, sometimes hires other companies to perform certain business-related functions. The Group only provides them with the information that they need to perform their specific function.

Legal Requirements: The Group may disclose your information if required to do so by law or in the good faith belief that such action is necessary to (i) comply with a legal obligation, (ii) protect and defend the rights or property of the Group, (iii) act in urgent circumstances to protect the personal safety of users of the Service or the public, or (iv) protect against legal liability.

Exclusions

This Privacy Policy does not apply to any information collected by the Group other than information collected through the Service. This Privacy Policy shall not apply to any unsolicited information you provide through the Service or through any other means. All unsolicited information shall be deemed to be non-confidential and the Group shall be free to reproduce, use, disclose, distribute and exploit such unsolicited information without limitation or attribution.
